

# Majd Shaheen

## Fullstack Developer

Address: Dubai, UAE | Phone: +971 552050271

Email: [majd4.sh@gmail.com](mailto:majd4.sh@gmail.com) | Portfolio: [Majd Shaheen](#)

LinkedIn: <https://www.linkedin.com/in/majd-shaheen/>

## Summary

Fullstack Developer with 4+ years of experience building responsive web and mobile applications using React, React Native, and Express.js. Proficient in developing e-commerce platforms, custom CMS solutions, and integrating secure payment systems to enhance user experience and efficiency. Skilled in collaboration, CI/CD pipelines, and maintaining scalable, high-performance applications.

## Experience

### Fullstack Developer – 12/2023 to Present

**Lifesmile**, Dubai, United Arab Emirates

- Engineered a fully responsive e-commerce store across web and mobile platforms using React and React Native, enhancing user experience and accessibility.
- Designed and implemented a custom CMS dashboard to efficiently manage store content, process orders, send notifications, and support additional features, improving operational workflows.
- Integrated diverse payment options, including cards, Apple Pay, Google Pay, and Tabby, to streamline checkout processes and boost conversion rates.
- Deployed the mobile application on iOS and Android app stores, ensuring seamless functionality and providing regular updates to address issues and optimize performance.

### Frontend Developer – 10/2021 to 12/2023

**Aratech**, Dubai, United Arab Emirates

- Developed high-performance and user-friendly mobile and web applications using React and React Native, enhancing usability and customer engagement.
- Contributed to backend development with Express.js, building RESTful APIs and designing backend functionality to ensure robust security and seamless scalability.
- Collaborated with cross-functional teams using Git for version control, implementing CI/CD pipelines to streamline task distribution, facilitate code reviews, and accelerate deployment processes.

## Education

### Bachelor's Degree in Information Technology Engineering – Specialized in Software Engineering/ Computer Science

Tishreen University, Syria

## Projects

- Lifesmile**- Developed Lifesmile's e-commerce website using Next.js with SSR for improved SEO, ensured responsiveness, and integrated Google Maps for address selection via Google Cloud Services - <https://www.lifesmile.ae/>
- Custom CMS Dashboard**– Built a dashboard using Next.js with API routes, AWS S3 for image storage, AWS RDS with Prisma ORM for database management, implemented CMS features, and secured access with JWT-based authentication and authorization.
- Sarayu**- Developed modular and reusable React components using a component-based architecture, managed global state with Redux to streamline data sharing, and adhered to frontend best practices - <https://sarayuconsulting.com/en>
- Marketedia**- Developed a responsive, high-performance marketing website with React, incorporating a dynamic theming feature using Context API for enhanced UI/UX- <https://marketedia.net/>
- Lifesmile Shopping (iOS, Android)**- Led the development of a mobile application using React Native for the frontend and Next.js for the backend, with state management via Redux and Redux Thunk, and utilized Expo workflows with EAS for building and publishing updates. <https://play.google.com/store/apps/details?id=com.lifesmile.lifesmileapp&pli=1>
- Soukare**- Developed a mobile application with React Native CLI for the frontend and Express.js for the backend, integrating native modules for notifications and deep linking, and implemented scheduled push

## Skills & Expertise

---

- Next.js
- Typescript
- JavaScript
- Redux
- MySQL
- Node.js
- Firebase
- Nest.js
- AWS Cloud Services
- Database Systems
- REST API
- Debugging
- Negotiation
- Collaboration
- Time Management
- React.js
- React Native
- Tailwind CSS
- Material-UI
- MongoDB
- Prisma
- Expo
- Express.js
- Git Version Control
- SAAS
- IOS, Android Development
- Problem-Solving
- Adaptability
- Attention to Detail
- Communication

## Languages

---

**Arabic:** Native | **English:** Advanced | **German:** A1
